

## Archibald Sisters

Phil Rollins, Haley Rollins, Lucy Rollins

### Years Downtown:

1975-present

### Little Known Fact:

There's only one Archibald Sisters.

### Our Story:

There were two sisters (and a guy) who opened a small eclectic store in downtown Olympia. The store was an instant hit and grew quickly to move to its present location in 1991. The sisters have moved on, but the guy (me, Phil Rollins) is still there and enjoying every minute. The younger generation sisters (Hayley & Lucy) are now contributing their talents and tastes to the fun mix that is Archibald Sisters. Nothing has changed, but everything has changed. As always, Archibald Sisters is one of the best places to find the coolest presents for anyone you can imagine and more than likely, something for yourself too. Specializing in a full line of personal care essentials that can be custom blended from over 100 fragrance choices + cards, jewelry, giftware, toys, candy and fashion accessories.

### What I Love About Olympia:

There's a unique free and creative spirit about this community that doesn't exist in too many other locations. We feel very fortunate to be a part of this scene and all the incredible people who make it possible.
